

CSC 642 Summer 2018 Selenium Testing Logs for Andy Lai

Successful Registration Flow

Log	Reference
18. clickAt on css=a with value 29,6...	OK
19. selectWindow on win_ser_1...	OK
20. close on win_ser_1...	OK
21. selectWindow on win_ser_local...	OK
22. selectFrame on index=0...	OK
23. clickAt on css=div.recaptcha-checkbox-checkmark with value 22,12...	OK
24. selectFrame on relative=parent...	OK
25. clickAt on xpath=//button[@type='button']][2] with value 46,29...	OK
26. doubleClickAt on name=email with value 63,26...	OK
27. doubleClickAt on name=email with value 64,26...	OK
28. clickAt on name=email with value 192,25...	OK
29. type on name=email with value test@gmail.com...	OK
30. clickAt on css=div.register with value 1894,626...	OK
31. clickAt on xpath=//button[@type='button']][2] with value 48,20...	OK
32. runScript on window.scrollTo(0,0)...	OK
33. mouseDownAt on //div[@id='root']/div/div/div/div/div/div/div[2]/div/div/div/div/div/div[3]/div with value 497,41...	OK
34. mouseMoveAt on //div[@id='root']/div/div/div/div/div/div/div[2]/div/div/div/div/div/div[3]/div with value 497,41...	OK
35. mouseUpAt on //div[@id='root']/div/div/div/div/div/div/div[2]/div/div/div/div/div/div[3]/div with value 497,41...	OK
36. clickAt on //div[@id='root']/div/div/div/div/div/div/div[2]/div/div/div/div/div/div[3]/div with value 497,41...	OK
37. mouseDownAt on //div[@id='root']/div/div/div/div/div/div/div[2]/div/div/div/div/div/div[3]/div with value 597,161...	OK
38. mouseMoveAt on //div[@id='root']/div/div/div/div/div/div/div[2]/div/div/div/div/div/div[3]/div with value 597,161...	OK
39. mouseUpAt on //div[@id='root']/div/div/div/div/div/div/div[2]/div/div/div/div/div/div[3]/div with value 597,161...	OK
40. clickAt on //div[@id='root']/div/div/div/div/div/div/div[2]/div/div/div/div/div/div[3]/div with value 597,161...	OK
41. clickAt on //button[@type='button'] with value 87,23...	OK
42. clickAt on xpath=//button[@type='button']][4] with value 26,22...	OK
43. clickAt on //button[@type='button'] with value 105,32...	OK
'Registration Flow' completed successfully	

Failed Registration Flow

```
22. Trying to find xpath=//input[@type='checkbox']...
23. Trying to find xpath=//input[@type='checkbox']...
24. Trying to find xpath=//input[@type='checkbox']...
25. Trying to find xpath=//input[@type='checkbox']...
26. mouseOver on ui-recaptcha-verify-button...
27. selectFrame on relative=parent...
28. clickAt on name=email with value 192,25...
29. type on name=email with value test@gmail.com...
30. clickAt on css=div.register with value 1894,626...
31. clickAt on xpath=//button[@type='button']][2] with value 48,20...
32. runScript on window.scrollTo(0,0)...
```

Test failed due to the 3rd consecutive test of captcha and causing the automation to not be able to pass the captcha test.

Testing for all routes in website

Failed and successfully found that cancel button on Registration form was navigating to itself.

Running 'Home Flow'

1. open on /... **OK**
2. clickAt on xpath= (//button[@type='button'])[2] with value 89,27... **OK**
3. clickAt on //button[@type='button'] with value 66,28... **OK**
4. clickAt on xpath= (//button[@type='button'])[3] with value 34,3... **OK**
5. clickAt on //button[@type='button'] with value 42,30... **OK**
6. clickAt on xpath= (//button[@type='button'])[5] with value 35,8... **OK**
7. clickAt on //button[@type='button'] with value 97,23... **OK**
8. clickAt on xpath= (//button[@type='button'])[4] with value 29,26... **OK**
9. mouseOver on xpath= (//button[@type='button'])[4]... **Failed:**
Blocked a frame with origin "http://localhost:3000" from accessing a cross-origin frame.

'Home Flow' was aborted

Successful Home Flow of Routes

Running 'Home Flow 2'

1. open on /... **OK**
2. clickAt on //button[@type='button'] with value 20,28... **OK**
3. clickAt on xpath= (//button[@type='button'])[2] with value 38,31... **OK**
4. clickAt on //button[@type='button'] with value 59,10... **OK**
5. clickAt on xpath= (//button[@type='button'])[3] with value 31,30... **OK**
6. clickAt on //button[@type='button'] with value 64,24... **OK**
7. clickAt on xpath= (//button[@type='button'])[4] with value 31,16... **OK**
8. clickAt on //button[@type='button'] with value 49,14... **OK**
9. clickAt on xpath= (//button[@type='button'])[5] with value 17,26... **OK**
10. clickAt on //button[@type='button'] with value 63,21... **OK**
